Features

- 1/4" Panasonic Colour CCD and Mintron 20MIPS DSP
- 380 TV Lines (470 TV line equivalent with Adaptive Edge Enhancement)
- 0.5 LUX at F1.2
- DIP switch controls for White Balance, 2X digital zoom and mirror image.

Description

An inexpensive, colour CCTV mini-camera with 1/4" CCD and Mintron 20MIPS DSP. This camera produces good quality video, in color, at 380/470 TV lines. The CCD provides a good minimum illumination level of 0.5 Lux @F1.2. Also available as the 34K0I with pin-hole lens. **Recommended Use:** Indoors, where an interchangeable lens is not needed and lighting is relatively constant. Offers a very unobtrusive camera because of small size. Provides good quality video down to relatively low light levels. The pin-hole version of this camera is particularly suited to covert use.
