### Description

The waterproof SMS 5342IR-VFAI is a high resolution 1/3" Sony™ CCD colour long range infrared (IR) camera with a 3.6mm – 9mm varifocal, auto-iris lens. It's designed for use indoors or outdoors where video is required at low or even zero illumination levels as well as at normal daylight or artificial light illumination. This camera provides 480TV lines of high resolution video in colour at normal light levels and switches to black and white under low light conditions providing a useable IR range of up to 150' with its 42 IR LEDs.
