Features

- 1/4" Panasonic Colour CCD and Mintron 20MIPS DSP
- 380/470 TV Lines
- 0.5 LUX at F1.2; 0.0 LUX with Infra-Red
- I.R. range of up to 30 feet for night vision

Description

An inexpensive mini-dome, colour CCTV camera with 1/4" CCD and Mintron™ 20MIPS DSP. This camera includes 12 Infra-Red LEDs for image production at very low light levels down to and including complete darkness. It produces good quality video, in colour and black & white, at 380/470 TV lines. The CCD provides a good minimum illumination level of 0.5 Lux @F1.2.

Recommended Use: Indoors, in areas with poor or zero lighting. Provides good quality colour video down to relatively low light levels and black and white video under Infra-Red in light levels down to total darkness. Widely used in retail stores and restaurants.
