Mintron™ D-54K0

Water-proof, Colour/ B&W IR Camera

Features

- 1/4" Colour CCD and Mintron 20MIPS DSP
- 380 TV Lines (470 TV line equivalent with Adaptive Edge Enhancement)
- 1.0 LUX at F1.2 (Colour); 0.0 Lux with Infra-Red
- Waterproof aluminum case and mounting bracket

Description

A water-proof, colour CCTV camera with 1/4" CCD and Mintron™ 20MIPS DSP. This camera utilizes a sealed waterproof aluminum case and includes 12 Infra-Red LEDs for image production at light levels less than 1.0 Lux – down to and including total darkness. It produces excellent quality video, in colour, at 380/470 TV lines down to an excellent minimum illumination level of 1.0 Lux @F1.2, and black and white images at lower light levels, under Infra-Red.

Recommended Use: Indoors or outdoors, in areas with poor or zero lighting. Provides good quality colour video down to relatively low light levels and black and white video under Infra- Red. An inexpensive solution for night viewing.
